

PUBLIC NOTICE
BENTON Township Residents Only
ONE DAY
TRASH COLLECTION

April 13, 2024
9:00 am-2:00 pm

The Benton Township Trustees are sponsoring a one-day trash collection. There will be one container for Metals and one container for Household Trash. These containers will be located near the green recycling bins behind the maintenance building at Graytown Park. You may bring items between 9:00 am and 2:00 pm and unloading assistance will be available with just a backhoe, no human touch. Absolutely no items dropped off early or late.

*This annual trash collection service is provided for Benton Township residents only. **Proof of residence will be required.** Not intended for business or commercial use. Unload your own trash with help of loaders*

Acceptable Items Include:

Predominately-Metal Items: All Appliances, Microwaves, Air Conditioners, Engines, Bicycles, Lamps, Empty Paint Cans, and Scrap Metal

Batteries are accepted but must be kept separate!

Household Trash: Non-recyclable Glass and Plastics, Rinsed Pesticide Containers, Buckets, Light Bulbs, Cookware, Mirrors, Ceramics, Toys, and Misc. Junk.

Items that will NOT be accepted include liquids, paint, garbage, yard waste, building materials, tires, and hazardous materials. NO Mattresses, NO Chemical Shuttle Totes

Recycle the following items in the green recycling container: Newspapers, Magazines, Corrugated Cardboard, Glass Jars, #1 & #2 Plastic Bottles, and Steel & Aluminum Cans.

NO early drop offs accepted, metal containers will be present

If you have any questions, call Dan Harder at 419-862-3774 or any of the Trustees listed below. Only with proper participation will the Township continue to annually provide this one-day trash collection program. THANK YOU!
